

## Sports Funding 2018-19

Sports Funding for schools is a continuing initiative which was introduced by the central government in 2013. It is an additional monetary allocation to the main school budget.

The Department for Education suggest schools consider using this funding for:

- hiring specialist P.E. teachers or qualified sports coaches to work with primary teachers when teaching P.E.
- paying for, and providing cover for, professional development opportunities for teachers in P.E. and sport
- running sport competitions, or increasing pupils' participation in the School Games
- providing places for pupils on after-school sports clubs and holiday clubs

In addition to this, funding should result in an improvement in the following:

- the engagement of all pupils in regular physical activity - children and young people aged 5-18 should engage in at least sixty minutes of physical activity a day, of which thirty minutes should be in school
- the profile of P.E. and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching P.E. and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

### Total Amount of Sports Funding received: £17840

Aims of Sport Funding 2018-2019	Cost (£)	Impact
We have bought into the Rutland School Sports Partnership (RSSP). As a member of this partnership, we are able to participate in a wide range of inter-school competitions, have access to PE coordinator days and have access to additional specialised coaching.	<b>£1150</b>	This year we attended 31 competitions and finished 3 <sup>rd</sup> in the league. All children from Year 1-6 have (not Year 5 although we have targeted this year group next year)
Health and Wellbeing project-tracking initiative led by the RSSP to monitor health and fitness of Year 1 pupils. This will include a baseline assessment and then six further sessions led by RSSP.	<b>£500</b>	Following our baseline assessment, a selection children from Reception to Year 2 took part in the physical literacy intervention which has had a positive impact on their gross motor skills and coordination.
Spotlight Dance Festival entrance fee and resources plus supply pay for four afternoons for member of staff to come in and rehearse the routine.	<b>£550</b>	We had another very successful Spotlight on Dance experience this year and performed to a Greatest Showman medley. We were invited to perform at the Discovery Schools Academy Trust's awards night at the King Power Stadium. It gave a number of our pupils the opportunity to perform on a stage in front of an audience.
Entrance fee for <i>Spotlight the Musical</i> . This is a new event which will involve all Year 6 pupils. They will have four sessions to rehearse for the show and then perform at Stamford Corn Exchange on Wednesday 19 <sup>th</sup> June.	<b>£150</b>	Unfortunately, this event was cancelled by the organisers but it is hoped that it will take place next academic year.
P.E. Coordinator training. P.E. coordinator will attend two 1/2 sessions with local P.E. coordinators.	<b>£200</b>	This provided an opportunity for our sports coach to get an overview of how the sporting programme runs in Rutland. Professionals also have the opportunity to be involved in the development of the sports calendar and the way particular events run.
Supply funds to a release a member of staff to accompany SEN children to inclusion events organised by RSSP: rounders, tag-rugby, orienteering and Aquasplash.	<b>£400</b>	A number of our SEN children were taken to events such as the Aquasplash festival. They really enjoyed this event in particular and have requested that we go again next year.
Resources made available to a member of staff to manage and run the playleaders.	<b>£250</b>	New resources have been purchased for our play-leaders to ensure that children have a variety of resources to use at play and lunchtime and remain as active as possible.

We have put aside funds for a sports coach to work with our Year 5 and 6 pupils and with class teachers and LSAs to raise the quality of PE teaching and learning within the school.	<b>£2090</b>	A sports coach worked weekly with our teams which impacted on our success at competitions and we finished 3 <sup>rd</sup> overall. During PE sessions, Year 6 children were encouraged to lead and organise level 1 competitions. One of our TA's has a particular interest in sport and P.E and has been supported the sports coach and P.E coordinator with sporting events.
Funding allocated for additional sports coach to work with pupils to lead and organise Level 1 competitions and also prepare children for Level 2 and 3 competitions.	<b>£570</b>	
Funding allocated for additional sports coach to provide high quality extra-curricular clubs.	<b>£1140</b>	This year, the children were able to access weekly clubs at either highly reduced, or no cost
Funding allocated for adult to provide high quality extra-curricular fencing club.	<b>6 sessions @ £37.50 per session = £225</b>	The children really enjoyed this and we were able to target some of our less active children. The sessions culminated in a tournament with the other local primary school.
Training given to lunchtime supervisors to enable them to lead high quality games at lunchtime alongside sport ambassadors.	<b>£200</b>	A number of our lunchtime staff received training and this is an area that we will be continuing to focus on next year.
Transport required to allow maximum number of children to attend competitions	<b>£1000</b>	Transport was provided for whole class events including KS1 and 2 multi-skills and orienteering.
Improve resources for P.E. lessons, outdoor equipment and extra-curricular clubs: basketball hoops, Quicksticks hockey, Trim Trail (figure TBC), goalpost weights (£150)	<b>£650</b>	General P.E resources replenished. Goal post weights purchased. Basketball hoops currently on loan from the local private school with a view to purchasing our own. Trim trail was repaired.
Supply funds to release staff and allow pupils to participate in a greater number of competitions	<b>£2500</b>	This has been pivotal in ensuring that we have been able to get as many children participating in events as possible - 31 events attended
Funds provided for sports coach to lead sessions to improve pupil wellbeing: sensory circuits lower KS2 children and boxercise club.	<b>£780</b>	Boxercise club proved incredibly popular and we opened up a number of our before school clubs to KS1 at the request of parents.
Improvements made to Trim Trail and school field to ensure it is safe to play on.	<b>£2000</b>	Trim trail was repaired and our school field has undergone many improvements to ensure it is level and safe for our children. This is ongoing.
Sports kits for Y3/4 and Y5/6 sports team to encourage them to take pride in appearance when representing the school at sporting events.	<b>£500</b>	KS2 girls' kits ordered – predominantly for our Girls' football and tag-rugby teams who have never had their own kit.
Funding allocated for 'Wellbeing Week'. This week will involve inviting in visitors to discuss various aspects of wellbeing: physical health, safety in the community, mindfulness and keeping active. The week will need resources.	<b>£200</b>	Well-being week and Hello Yellow day were very successful with lots of the children and their families talking positively about the events. We used funds to create artwork for the hall and pay for all classes to take part in a Greatest Showman and workshop yoga and mindfulness workshops.
Training for member of staff to complete Level 5 P.E. award which will then allow member of staff to deliver higher-quality CPD to current staff.	<b>£500</b>	This was not available for us to access this year. Part of these funds were used to purchase costumes for our Spotlight on Dance costumes.
Purchasing <i>Active Maths</i> . As part of our <i>Raising Attainment Plan</i> , we have used funds to buy a resource which increases children's fluency of maths through practical and active methods. Daily activities encourage children to learn in an energetic and exciting manner.	<b>£1500</b>	
<b>CURRENT EXPENDITURE</b>	<b>£16,830</b>	

### Summary

At Leighfield Primary School we continue to recognise the vital importance of high quality Physical Education and we promote active engagement in sporting events, both within school and against other schools. We continue to monitor pupil involvement in lessons and extra-curricular clubs. In addition to this, the increase in our provision of P.E. and sport provision meant that we were awarded the Gold Kitemark in the Sainsbury's School Games Mark for the fourth year in a row.
