

1.3.19

Welcome back – we've enjoyed hearing all about your half-term holidays! We have had a great first week back – our trip to Elmer was a great success (thank you to all the walking helpers) and the Planetarium session was an experience the children really enjoyed. They wowed the session leader with their knowledge and asked some good questions.

Our new topic is family and how we change when we grow up. Our book this week was 'Baby Brains'. We had a visit from baby Sidney on Monday and asked Miss Taylor lots of questions about her.

We learnt the sounds 'igh' and 'oa' and have been looking at different ways of making 10. The weather meant that we've been enjoying our new grass area and even managed a trip to the outdoor classroom!

We would like the children to complete a family tree – I have enclosed a template but please feel free to be as creative as you'd like as we are going to have a family tree display! It can go back as far as your knowledge allows! We would also like the children to bring in a photo of themselves when they were a baby, so that we can look at how we have changed! This can be emailed to me if it's easier: hroddy@dsatleighfield.org.

Please note the date for your diary – Friday 15th March – Grandparents' afternoon – 2:30pm for a cream tea and crafts.

Mrs Cable will be teaching on Monday as I unfortunately have a funeral so I will see you all on Tuesday.

Hope you all have a fantastic weekend. Mrs Roddy and EYFS team

Reminders

Please complete/ create a family tree for your family with your child.

Please send in/email a photo of your child as a baby.

DATES FOR YOUR DIARY

Friday 15th March

Red Nose Day and Grandparents' afternoon (2:30pm)!!!

Please wear red. Grandparents are invited to join us for homemade scones and craft- it's a chance for them to see our classroom and look at what we've been doing in our books- 2:30pm

Thursday 21st March

Brooksby Farm Visit

We will visit the farm during lambing – we will learn about different animals and how they change as they grow. More details to follow.
