

21.9.18

We have had a brilliant week and have settled in so well to even more new routines and meeting more new friends!

The children now know that they are in a group which they will work in for the year (blue, red, yellow or green) on adult-led tasks. We have started formal registering this week which they've taken to well and I've been hugely impressed by their sitting for phonics and their engagement with everything that we are teaching them!

We have started to form the numbers 1-5 and the sounds p and i this week.

Thank you for the pictures of the children in front of their houses- these are starting to go up in our home corner now and thank you also for those who have already done their looking for learning picture for the hall.

This week we have been to the secret garden, picked lots of apples, made great bridges in the pit, made fruit skewers and much more!

It's the end of Rainbows and into Dinosaurs... watch this space!

Have a great weekend

Mrs Roddy and EYFS team

Reminders

Please remember your looking for learning portrait for the hall.

(no glass please)

Please make sure that your child has a labelled drinks bottle that they can have in class.

Please can you bring in a picture of your child in front of their house for the home corner.

DATES FOR YOUR DIARY

Parents' Evening

Mon 8th/Wed 10th October

A chance to meet with us and see how your child has settled in and ask any questions that you may have. There will be sign-up sheets at Mrs Wedge's desk the week before. A parentmail will go out about it.
