

5.10.18

Wow! We are nearly there!

The weeks speed by in EYFS – must be all the fun we have! This week we have been looking at the book ‘Mungo and the Dinosaur Island’. We have made maps of the island, counted dinosaurs, made doubles butterflies, junk modelled, measured the actual length of a diplodocus, made biscuits and so much more!

The most exciting news was that our egg hatched, and, after a class vote, we called him Leaf. We measured him when he hatched and will measure him again to see if he’s grown over the weekend!

We look forward to seeing you all at Parents’ Evening next week.

Have a great weekend

Mrs Roddy and EYFS team
