We have had another great week in EYFS.

Our learning has focused on the sounds ‘a’ and ‘t’ in phonics and we’ve been trying to be more curious and have been asking ‘Why?, What?, Where? and How?’ questions . We have investigated passion fruits, pomegranates and herbs in our Curiosity Corner.

Group 2 have had school dinners for the first time and have really enjoyed them! We have been impressed with the childrens’ resilience this week with lots of new experiences. We had a tour around the school to visit all the classrooms and had our first P.E. lesson.

We are all looking forward to the class being united next week! Thank you so much for all of you who could make the phonics evening, we really appreciate your support. I will send copies of the presentation home to those who couldn’t make it.

I have attached a parental observation form, as mentioned in the meeting.

Have a great weekend

Mrs Roddy and EYFS team
