

Reminders

Please can you point out your smoke alarms to your child as the firefighter was talking about them today.

Don't forget to follow us on Twitter. I tweet regularly to show what we do in class. I have a list of who would prefer not to be on Twitter so if you want to be added do just ask.

25.1.19

These weeks are whizzing by already! I can't believe that's the end of Supertato – it's been great to hear feedback about how much your children have enjoyed the Supertato books – they are great fun and I highly recommend the other Sue Hendra books.

We have been learning 'y' and 'z' this week and have been writing sentences about the Evil Pea. We have also started looking at the number 8 and subtraction.

We painted the ice on Wednesday using lots of different types of paint and have finished the week off with our brilliant trip to the fire station. We had a talk about fire safety by Mel the firefighter and then we looked at a real fire engine and got to sit in it! We also saw the different hoses they use and had a go at squirting one. Thank you to our volunteer walkers – it is really appreciated.

Have a great weekend

Mrs Roddy and EYFS team

DATES FOR YOUR DIARY

Fri 1st February

NSPCC Number Day

There will be a school letter going out to let you know more. Own clothes (ideally wearing something with a number on), £1 donation and then there will be a cake sale and other activities- (please check Parentmail next week)
