FIRST DAYS OF SCHOOL!

We have had a wonderful start to term. The children have settled well and it's been so lovely to start to get to know them all. I hope to produce a weekly newsletter to keep you informed of what we have been up to during the week, dates for your diary, reminders and ways you can help support your child.

Our topic for the next three weeks is 'Rainbows'. Each term we will have a country which we will learn more about. We will compare England with our chosen country and look at the differences and similarities. This term our topic is India. I visited New Dehli and worked with some children in a slum centre for a week, last October, so I hope to share some of my experiences with the children. If anyone has experiences of another country and would be happy to share their knowledge we could look at those in other terms.

Have a great weekend

Mrs Roddy and EYFS team
