

7.9.18

We are so proud of how well the children have settled into our class. Our morning group have handled the (sometimes daunting) lunchtime experience really well – we have even managed to entice some away from jacket potatoes!!!

We have started to introduce class routines: hands-up on the carpet, milk and fruit time, phonics time, story time and the children are getting very good at remembering their indoor shoes. We have even visited the secret garden and picked apples.

Thank you for the response from parents about countries that we can choose for each term. I have noted them down and will be in touch nearer the time!

We had a brilliant time meeting our buddies from Year 6 and they read us a story in the library.

We have started learning the sounds ‘s’ and have even started to write it in pre-cursive script! I am sending home the start of a new collection of flashcards which you can use with your child to help remind them of the sound and also to practice writing the cursive form of the letter (we will discuss this more next week at the phonics session 13.9.18 -7pm)

Have a great weekend

Mrs Roddy and EYFS team

Reminders

Please remember your P.E. kits (with trainers please) as we start next week!
