

21st February 2018

Dear Parent(s)/Guardian(s),

Thank you to those of you who were able to attend the Year 1 and 2 maths meeting last term. For those of you who could not make it, I have attached the PowerPoint to summarise some of the main points, but please bear in mind that this PowerPoint was used to support a talk and was followed by example maths activities around the hall, so some parts of it may seem a little abstract.

At the meeting, I discussed the "Learner Books" which provide all the models and images used to support learning with a Glossary. If you would like to purchase one, they are £5 each and will help support your child at home. Please see Mrs Wedge who will be able to organise this.

We are very happy with the way the children's learning is progressing using these materials to support the teaching and the feedback from the children has also been very positive.

Yours sincerely,

Mrs Eaton
Interim Head of School
