

25th May 2018

Dear Parents/Guardians,

I want to congratulate all of the children, plus yourselves, for making it through such a busy term!

The children could not have worked any harder and I am immensely proud of them. However, the hard work in Year 6 does need to continue for a little longer. The children are busily compiling evidence for their writing portfolios and as a result, will be producing new pieces of writing and/or writing final drafts of some of their best pieces of writing from the year. Therefore, where possible, if we can ensure you child is in school then this will make the process much easier for them.

Thank you very much for your continued support.

Mr Wallace
Deputy Headteacher
