

Welcome to Year 1

Class teacher: Miss Morrison

This will be your classroom.

I have worked at Leighfield for...
a year.

My favourite subjects to teach are...
Science and phonics.

The best thing about working with children is...

They always make me feel happy and I enjoy seeing their progress.

When I'm not I school I enjoy...

Surfing, playing chess and playing Scrabble.

Forest School is amazing.

The art lessons are really fun.

You will line up here on the playground.

This will be your cloakroom.

Miss Morrison is really kind, happy and funny.

What the children say...

I have really enjoyed our phonics lessons.

Your toilets are in the classroom.
