

Welcome to Year 5

Class teachers: Mrs French & Mrs Oakley

This will be your classroom.

I have worked at Leighfield for...

Mrs French: 7 years
Mrs Oakley: 4 years

My favourite subjects to teach are...

Mrs French: History, geography & computing
Mrs Oakley: Science

The best thing about working with children is...

Mrs French: every day is different. You never know what a child is going to do to make you smile.
Mrs Oakley: their energy and enthusiasm.

When I'm not at school I enjoy...

Mrs French: walking, swimming and reading
Mrs Oakley: running, shopping and spending time with my family.

Mrs French & Mrs Oakley are kind, funny and enthusiastic about learning.

You can have a main part in the KS2 production.

You do fun Science experiments!

You will line up here on the playground.

You get to do more sporting events. The wheelchair basketball was so much fun!

You will hang your coats and bags up and access the toilets, in this cloakroom.

What the children say...
